§ **42-46-1 Public policy.** – It is essential to the maintenance of a democratic society that public business be performed in an open and public manner and that the citizens be advised of and aware of the performance of public officials and the deliberations and decisions that go into the making of public policy.

§ **42-46-2 Definitions.** – As used in this chapter:

(1) "Meeting" means the convening of a public body to discuss and/or act upon a matter over which the public body has supervision, control, jurisdiction, or advisory power. As used herein, the term "meeting" expressly includes, without limiting the generality of the foregoing, so-called "workshop," "working," or "work" sessions.

(2) "Open call" means a public announcement by the chairperson of the committee that the meeting is going to be held in executive session and the chairperson must indicate which exception of § 42-46-5 is being involved.

(3) "Public body" means any department, agency, commission, committee, board, council, bureau, or authority or any subdivision thereof of state or municipal government or any library that funded at least twenty-five percent (25%) of its operational budget in the prior budget year with public funds, and shall include all authorities defined in § 42-35-1(b). For purposes of this section, any political party, organization, or unit thereof meeting or convening is not and should not be considered to be a public body; provided, however, that no such meeting shall be used to circumvent the requirements of this chapter.

(4) "Quorum" , unless otherwise defined by applicable law, means a simple majority of the membership of a public body.

(5) "Prevailing plaintiff" includes those persons and entities deemed "prevailing parties" pursuant to 42 U.S.C. § 1988.

(6) "Open forum" means the designated portion of an open meeting, if any, on a properly posted notice reserved for citizens to address comments to a public body relating to matters affecting the public business.

§ 42-46-3 Open meetings. – Every meeting of all public bodies shall be open to the public unless closed pursuant to §§ 42-46-4 and 42-46-5.

§ 42-46-4 Closed meetings. – (a) By open call, a public body may hold a meeting closed to the public upon an affirmative vote of the majority of its members. A meeting closed to the public shall be limited to matters allowed to be exempted from discussion at open meetings by § 42-46-5. The vote of each member on the question of holding a meeting closed to the public and the reason for holding a closed meeting, by a citation to a subdivision of § 42-46-5(a), and a statement specifying the nature of the business to be discussed, shall be recorded and entered into the minutes of the meeting. No public body shall discuss in closed session any public matter which does not fall within the citations to § 42-46-5(a) referred to by the public body in voting to close the meeting, even if these discussions could otherwise be closed to the public under this chapter.

(b) All votes taken in closed sessions shall be disclosed once the session is reopened; provided, however, a vote taken in a closed session need not be disclosed for the period of time during which its disclosure would jeopardize any strategy, negotiation or investigation undertaken pursuant to discussions conducted under § 42-46-5(a).

§ 42-46-5 Purposes for which meeting may be closed – Use of electronic communications – Judicial proceedings – Disruptive conduct. – (a) A public body may hold a meeting closed to the public pursuant to § 42-46-4 for one or more of the following purposes:

(1) Any discussions of the job performance, character, or physical or mental health of a person or persons provided that such person or persons affected shall have been notified in advance in writing and advised that they may require that the discussion be held at an open meeting.

Failure to provide such notification shall render any action taken against the person or persons affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any persons to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(2) Sessions pertaining to collective bargaining or litigation, or work sessions pertaining to collective bargaining or litigation.

(3) Discussion regarding the matter of security including, but not limited to, the deployment of security personnel or devices.

(4) Any investigative proceedings regarding allegations of misconduct, either civil or criminal.

(5) Any discussions or considerations related to the acquisition or lease of real property for public purposes, or of the disposition of publicly held property wherein advanced public information would be detrimental to the interest of the public.

(6) Any discussions related to or concerning a prospective business or industry locating in the state of Rhode Island when an open meeting would have a detrimental effect on the interest of the public.

(7) A matter related to the question of the investment of public funds where the premature disclosure would adversely affect the public interest. Public funds shall include any investment plan or matter related thereto, including, but not limited to, state lottery plans for new promotions.

(8) Any executive sessions of a local school committee exclusively for the purposes: (i) of conducting student disciplinary hearings; or (ii) of reviewing other matters which relate to the privacy of students and their records, including all hearings of the various juvenile hearing boards of any municipality; provided, however, that any affected student shall have been notified in advance in writing and advised that he or she may require that the discussion be held in an open meeting.

Failure to provide such notification shall render any action taken against the student or students affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any students to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(9) Any hearings on, or discussions of, a grievance filed pursuant to a collective bargaining agreement.

(10) Any discussion of the personal finances of a prospective donor to a library.

(b) No meeting of members of a public body or use of electronic communication, including telephonic communication and telephone conferencing, shall be used to circumvent the spirit or requirements of this chapter; provided, however, these meetings and discussions are not prohibited.

(1) Provided, further however, that discussions of a public body via electronic communication, including telephonic communication and telephone conferencing, shall be permitted only to schedule a meeting.

(2) Provided, further however, that a member of a public body may participate by use of electronic communication or telephone communication while on active duty in the armed services of the United States.

(3) Provided, further however, that a member of that public body, who has a disability as defined in chapter 87 of title 42 and:

(i) Cannot attend meetings of that public body solely by reason of his or her disability; and

(ii) Cannot otherwise participate in the meeting without the use of electronic communication or telephone communication as reasonable accommodation, may participate by use of electronic communication or telephone communication in accordance with the process below.

(4) The governor's commission on disabilities is authorized and directed to:

(i) Establish rules and regulations for determining whether a member of a public body is not otherwise able to participate in meetings of that public body without the use of electronic communication or telephone communication as a reasonable accommodation due to that member's disability;

(ii) Grant a waiver that allows a member to participate by electronic communication or telephone communication only if the member's disability would prevent him/her from being physically present at the meeting location, and the use of such communication is the only reasonable accommodation; and

(iii) Any waiver decisions shall be a matter of public record.

(c) This chapter shall not apply to proceedings of the judicial branch of state government or probate court or municipal court proceedings in any city or town.

(d) This chapter shall not prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct of the meeting is seriously compromised.

§ 42-46-6 Notice. – (a) All public bodies shall give written notice of their regularly scheduled meetings at the beginning of each calendar year. The notice shall include the dates, times, and places of the meetings and shall be provided to members of the public upon request and to the secretary of state at the beginning of each calendar year in accordance with subsection (f).

(b) Public bodies shall give supplemental written public notice of any meeting within a minimum of forty-eight (48) hours before the date. This notice shall include the date the notice was posted, the date, time and place of the meeting, and a statement specifying the nature of the business to be discussed. Copies of the notice shall be maintained by the public body for a minimum of one year. Nothing contained herein shall prevent a public body, other than a school committee, from adding additional items to the agenda by majority vote of the members. School committees may, however, add items for informational purposes only, pursuant to a request, submitted in writing, by a member of the public during the public comment session of the school committee's meetings. Said informational items may not be voted upon unless they have been posted in accordance with the provisions of this section. Such additional items shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires

immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official.

(c) Written public notice shall include, but need not be limited to, posting a copy of the notice at the principal office of the public body holding the meeting, or if no principal office exists, at the building in which the meeting is to be held, and in at least one other prominent place within the governmental unit, and electronic filing of the notice with the secretary of state pursuant to subsection (f); however, nothing contained herein shall prevent a public body from holding an emergency meeting, upon an affirmative vote of the majority of the members of the body when the meeting is deemed necessary to address an unexpected occurrence that requires immediate action to protect the public. If an emergency meeting is called, a meeting notice and agenda shall be posted as soon as practicable and shall be electronically filed with the secretary of state pursuant to subsection (e) and, upon meeting, the public body shall state for the record and minutes why the matter must be addressed in less than forty-eight (48) hours and only discuss the issue or issues which created the need for an emergency meeting. Nothing contained herein shall be used in the circumvention of the spirit and requirements of this chapter.

(d) Nothing within this chapter shall prohibit any public body, or the members thereof, from responding to comments initiated by a member of the public during a properly noticed open forum even if the subject matter of a citizen's comments or discussions were not previously posted, provided such matters shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official. Nothing contained in this chapter requires any public body to hold an open forum session, to entertain or respond to any topic nor does it prohibit any public body from limiting comment on any topic at such an open forum session. No public body, or the members thereof, may use this section to circumvent the spirit or requirements of this chapter.

(e) A school committee may add agenda items not appearing in the published notice required by this section under the following conditions:

(1) The revised agenda is electronically filed with the secretary of state pursuant to subsection (f), and is posted on the school district's website and the two (2) public locations required by this section at least forty-eight (48) hours in advance of the meeting;

(2) The new agenda items were unexpected and could not have been added in time for newspaper publication;

(3) Upon meeting, the public body states for the record and minutes why the agenda items could not have been added in time for newspaper publication and need to be addressed at the meeting;

(4) A formal process is available to provide timely notice of the revised agenda to any person who has requested that notice, and the school district has taken reasonable steps to make the public aware of this process; and

(5) The published notice shall include a statement that any changes in the agenda will be posted on the school district's web site and the two (2) public locations required by this section and will be electronically filed with the secretary of state at least forty-eight (48) hours in advance of the meeting.

(f) All notices required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. This requirement of the electronic transmission and filing of notices with the secretary of state shall take effect one year after this subsection takes effect.

(g) If a public body fails to transmit notices in accordance with this section, then any aggrieved person may file a complaint with the attorney general in accordance with § 42-46-8.

§ 42-46-7 Minutes. – (a) All public bodies shall keep written minutes of all their meetings. The minutes shall include, but need not be limited to:

(1) The date, time, and place of the meeting;

(2) The members of the public body recorded as either present or absent;

(3) A record by individual members of any vote taken; and

(4) Any other information relevant to the business of the public body that any member of the public body requests be included or reflected in the minutes.

(b)(1) A record of all votes taken at all meetings of public bodies, listing how each member voted on each issue, shall be a public record and shall be available, to the public at the office of the public body, within two (2) weeks of the date of the vote. The minutes shall be public records and unofficial minutes shall be available, to the public at the office of the public body, within thirty-five (35) days of the meeting or at the next regularly scheduled meeting, whichever is earlier, except where the disclosure would be inconsistent with §§ 42-46-4 and 42-46-5 or where the public body by majority vote extends the time period for the filing of the minutes and publicly states the reason.

(2) In addition to the provisions of subdivision (b)(1), all volunteer fire companies, associations, fire district companies, or any other organization currently engaged in the mission of extinguishing fires and preventing fire hazards, whether it is incorporated or not, and whether it is a paid department or not, shall post unofficial minutes of their meetings within twenty-one (21) days of the meeting, but not later than seven (7) days prior to the next regularly scheduled meeting, whichever is earlier, on the secretary of state's website.

(c) The minutes of a closed session shall be made available at the next regularly scheduled meeting unless the majority of the body votes to keep the minutes closed pursuant to §§ 42-46-4 and 42-46-5.

(d) All public bodies within the executive branch of the state government and all state public and quasi-public boards, agencies and corporations, and those public bodies set forth in subdivision (b)(2), shall keep official and/or approved minutes of all meetings of the body and shall file a copy of the minutes of all open meetings with the secretary of state for inspection by the public within thirty-five (35) days of the meeting; provided that this subsection shall not apply to public bodies whose responsibilities are solely advisory in nature.

(e) All minutes and unofficial minutes required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. If a public body fails to transmit minutes or unofficial minutes in accordance with this subsection, then any aggrieved person may file a complaint with the attorney general in accordance with § 42-46-8.

§ 42-46-8 Remedies available to aggrieved persons or entities. – (a) Any citizen or entity of the state who is aggrieved as a result of violations of the provisions of this chapter may file a complaint with the attorney general. The attorney general shall investigate the complaint and if the attorney general determines that the allegations of the complaint are meritorious he or she may file a complaint on behalf of the complainant in the superior court against the public body.

(b) No complaint may be filed by the attorney general after one hundred eighty (180) days from the date of public approval of the minutes of the meeting at which the alleged violation occurred, or, in the case of an unannounced or improperly closed meeting, after one hundred eighty (180) days from the public action of a public body revealing the alleged violation, whichever is greater.

(c) Nothing within this section shall prohibit any individual from retaining private counsel for the purpose of filing a complaint in the superior court within the time specified by this section against the public body which has allegedly violated the provisions of this chapter; provided, however, that if the individual has first filed a complaint with the attorney general pursuant to this section, and the attorney general declines to take legal action, the individual may file suit in superior court within ninety (90) days of the attorney general's closing of the complaint or within one hundred eighty (180) days of the alleged violation, whichever occurs later.

(d) The court shall award reasonable attorney fees and costs to a prevailing plaintiff, other than the attorney general, except where special circumstances would render such an award unjust. The court may issue injunctive relief and declare null and void any actions of a public body found to be in violation of this chapter. In addition, the court may impose a civil fine not exceeding five thousand dollars (\$5,000) against a public body or any of its members found to have committed a willful or knowing violation of this chapter.

(e) Nothing within this section shall prohibit the attorney general from initiating a complaint on behalf of the public interest.

(f) Actions brought under this chapter may be advanced on the calendar upon motion of the petitioner.

(g) The attorney general shall consider all complaints filed under this chapter to have also been filed under § 38-2-8(b) if applicable.

§ 42-46-9 Other applicable law. – The provisions of this chapter shall be in addition to any and all other conditions or provisions of applicable law and are not to be construed to be in amendment of or in repeal of any other applicable provision of law, except § 16-2-29, which has been expressly repealed.

§ 42-46-10 Severability. – If any provision of this chapter, or the application of this chapter to any particular meeting or type of meeting, is held invalid or unconstitutional, the decision shall not affect the validity of the remaining provisions or the other applications of this chapter.

§ 42-46-11 Reported violations. – Every year the attorney general shall prepare a report summarizing the complaints received pursuant to this chapter, which shall be submitted to the legislature and which shall include information as to how many complaints were found to be meritorious and the action taken by the attorney general in response to those complaints.

§ 42-46-12 Notice of citizen's rights under this chapter. – The attorney general shall prepare a notice providing concise information explaining the requirements of this chapter and advising citizens of their right to file complaints for violations of this chapter. The notice shall be posted in a prominent location in each city and town hall in the state.

§ 42-46-13 Accessibility for persons with disabilities. – (a) All public bodies, to comply with the nondiscrimination on the basis of disability requirements of R.I. Const., Art. I, § 2 and applicable federal and state nondiscrimination laws (29 U.S.C. § 794, chapter 87 of this title, and chapter 24 of title 11), shall develop a transition plan setting forth the steps necessary to ensure that all open meetings of said public bodies are accessible to persons with disabilities.

(b) The state building code standards committee shall, by September 1, 1989 adopt an accessibility of meetings for persons with disabilities standard that includes provisions ensuring that the meeting location is accessible to and usable by all persons with disabilities.

(c) This section does not require the public body to make each of its existing facilities accessible to and usable by persons with disabilities so long as all meetings required to be open to the public pursuant to chapter 46 of this title are held in accessible facilities by the dates specified in subsection (e).

(d) The public body may comply with the requirements of this section through such means as reassignment of meetings to accessible facilities, alteration of existing facilities, or construction of new facilities. The public body is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section.

(e) The public body shall comply with the obligations established under this section by July 1, 1990, except that where structural changes in facilities are necessary in order to comply with this section, such changes shall be made by December 30, 1991, but in any event as expeditiously as possible unless an extension is granted by the state building commissioner for good cause.

(f) Each municipal government and school district shall, with the assistance of the state building commission, complete a transition plan covering the location of meetings for all public bodies under their jurisdiction. Each chief executive of each city or town and the superintendent of schools will submit their

transition plan to the governor's commission on disabilities for review and approval. The governor's commission on disabilities with assistance from the state building commission shall approve or modify, with the concurrence of the municipal government or school district, the transition plans.

(g) The provisions of §§ 45-13-7 – 45-13-10, inclusive, shall not apply to this section.
